Gatekeeper Systems Announces Private Placement

Abbotsford, BC September 19th, 2013 - Gatekeeper Systems Inc. (“Gatekeeper” or the “Company”) (TSX.V: GSI) announces that it has arranged for a non-brokered private placement offering (the “Offering”), with an over-allotment provision approved by the Board, of up to 3,703,704 units (the “Units”) at a price of \$0.27 per Unit for gross proceeds of up to \$1,000,000, subject to TSX Venture Exchange approval. Each Unit will consist of one common share and one-half share purchase warrant (the “Warrant”), each full Warrant exercisable at \$0.35 for a period of 24 months from the date of closing. Should the stock price trade over \$0.50 per share for ten consecutive trading days, the Company will have the right to accelerate the expiry of the Warrants by giving notice to the holders of the Warrants by news release that the Warrants will expire on the date that is not less than 30 days from the date notice is given.

Proceeds of the Offering will be used to fulfill the Company’s current backlog of orders, support inventory, and for general working capital. Finder’s fees may be payable on the Offering.

Certain directors and officers of the Company may acquire securities under the private placement. Any such participation would be considered to be a "related party transaction" as defined under Multilateral Instrument 61-101 ("MI 61-101"). The transaction will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as neither the fair market value of any shares issued to or the consideration paid by such persons will exceed 25% of the Company's market capitalization.
