# Gatekeeper Receives New Contract from Catoosa County School District, Georgia for USD \$78,653

Abbotsford, BC, February 26<sup>th</sup>, 2014 - Gatekeeper Systems Inc. (The “Company” or “Gatekeeper”) (TSX.V: GSI) is pleased to announce it has received a purchase order for USD \$78,653 from Catoosa County School District (“Catoosa”). This is the second order from Catoosa County School District. An earlier order had the school district move to Gatekeeper’s solid-state video camera technology for use inside their school buses.

Catoosa County Public Schools, located in the northwest region of Georgia, has a large fleet of school buses totaling 138 and transports approximately 8,000 students every day. There are over 17,000 school buses in Georgia.

Doug Dymont, President and CEO of Gatekeeper said, “Our work with Catoosa’s Transportation Director, Jerene Jones, and her staff has been a wonderful experience and we are looking forward to a long standing relationship. Jerene’s relentless commitment to providing students with a safe ride to school every day, aligns with our commitment to providing Catoosa County School District with reliable technology to complete that task.”

Gatekeeper’s high-resolution video system was designed to meet military specifications allowing it to operate reliably in extreme heat and cold weather applications as well as extreme rough road conditions. The G4 Incident Management software allows video management personnel to share video in a secure environment with hundreds of users without the need to download software on every desktop.
