FOR IMMEDIATE RELEASE

Gatekeeper Provides Camera System to Gulf County ARC, Florida

Abbotsford, BC May 5, 2014 - Gatekeeper Systems Inc. (“Gatekeeper” or the “Company”) (TSX.V: GSI) is pleased to announce that it has completed an order for Gulf County ARC, which is the Company’s first transit contract in the State of Florida, USA.

Gulf County ARC is a para-transit association for developmentally disabled citizens, which provides curb to curb transportation by van and bus through their Transportation Disadvantaged Services program.

Gatekeeper has outfitted 7 buses and 6 vans with the 504HD DVR, outfitting each bus with 3 cameras, and each van with 2 cameras. The total contract size was \$23,000.

Doug Dymont, President and CEO of Gatekeeper comments “We are pleased to be stepping into the transit business within the State of Florida while working with Gulf County ARC to maintain the safety of its citizens while being transported. This contract speaks to the versatility of our products for mobile video solutions, being Gatekeeper’s first contract with a para-transit company.”

Gatekeeper is currently under contract with the Florida Department of Transportation TRIPS (“FDOT”) for transit and para-transit operators within Florida. The FDOT contract enables local agencies to purchase vehicles from bus dealers and manufacturers to include accessories, such as cameras for their sites. This is a 5 year contract and the Company is in the 3rd year of it. Gatekeeper’s approved products under the FDOT contract include the 504 and 508 DVR with a 320 GB drive, with camera options ranging from 1 camera up to 8. The Company also has listed items which include a 500 GB drive, 1 TB drive and accessories, such as the Driver Alert buttons and software.
