FOR IMMEDIATE RELEASE

### **Gatekeeper Receives Initial Order With Logan Bus Company**

**Abbotsford, BC, September 11<sup>th</sup>, 2018 - Gatekeeper Systems Inc. (“Gatekeeper” or the “Company”) (TSX.V: GSI; OTC: GKPRF; FSE: 1GK)**, a leading provider of high-definition video surveillance systems developed to protect people in transit, is pleased to announce it has received an initial order with Logan Bus Company (Logan Bus) for the supply and installation of high-definition video systems on 40 New York City (NYC) area school buses.

Logan Bus’s mission is to provide the best school bus transportation in the NYC area. They own more than 2,000 buses and 15-seater mini-wagons and have been providing transportation services for more than 30 years. Logan Bus is based in NYC and has multiple locations in Brooklyn, Queens, the Bronx, and Nassau County operating more than 2,000 buses and mini-wagons.

Logan Bus and Gatekeeper are members of the New York School Bus Contractors Association, an organization of nearly 100 school transportation service companies with the primary mission of promoting safe, reliable, and cost-effective student transportation in New York State. Private school bus companies employ approximately 45,000 people, operate roughly 30,000 school vehicles, and provide service to more than 300 school districts in New York State.

Cory Muirhead, Vice President, Logan Bus says that, “Logan and Gatekeeper share a common vision to protect children and provide a safe, worry free experience during their bus ride to and from school. The quality and reliability of the video systems, as well as Gatekeeper’s local service and support, ensures that we can meet that commitment to our customers. Parents can have full confidence and peace of mind knowing that we care as much as they do about the safety of their children.”

“We look forward to partnering with Logan Bus as part of our ongoing commitment to this important market and ensuring the safety of children who ride school buses,” says Doug Dymont, CEO, Gatekeeper. “We are a technology company with our eyes focused on the future and see continued opportunities for growth.”

Cautionary Note Regarding Forward-Looking Statements: This release includes certain statements and information that may contain forward-looking information within the meaning of applicable Canadian securities laws or forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995. All statements in this news release, other than statements of historical facts, including statements regarding future estimates, including projected sales and revenue, plans, objectives, assumptions or expectations of future performance are forward-looking statements and contain forward-looking information. Generally, forward-looking information can be identified by the use of forward-looking terminology such as “intends” or “anticipates”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would” or “occur”. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made, including that new contracts will be awarded as expected by management and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information, including the Company not being awarded new contracts and being unable to realize expected sales or revenues. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company does not undertake to update any forward-looking statements or forward-looking information, except in accordance with applicable securities laws. To the extent that any forward-looking information constitutes future-oriented financial information or financial outlooks within the meaning of securities laws, such information is being provided to inform the reader of the potential financial impact of expected results and may not be appropriate for other purposes. We seek safe harbour.
