FOR IMMEDIATE RELEASE

### **Gatekeeper Systems Appoints Anthony Jackson as CFO, Adding Management Experience in “SaaS” Business**

**Abbotsford, BC September 8, 2015 - Gatekeeper Systems Inc. (“Gatekeeper” or the “Company”) (TSX.V: GSI; OTC: GKPRF; FSE: 1GK) is pleased to announce that it has appointed Anthony Jackson as the Company’s Chief Financial Officer, subject to TSX Venture Exchange approval.**

Mr. Jackson is a Principal of BridgeMark Financial Corp., which provides corporate compliance, financial advisory, and financial reporting activities to public and private companies. Mr. Jackson also founded Jackson & Company, Chartered Accountants, assisting private and public companies in a variety of industries with full service accounting and tax services. Prior to his time at BridgeMark, Mr. Jackson spent a number of years working at Ernst & Young LLP and obtaining his CA designation before moving onto work as a senior analyst at a boutique investment banking firm. Mr. Jackson brings a broad range of software experience to the Company, with Software-as-a-Service (“SaaS”) experience spanning across the North American and International markets. Furthermore, Mr. Jackson led financial reporting teams and developed financial valuation models within various SaaS organizations. Most recently, Mr. Jackson has had extensive experience as a Director and CFO of numerous publicly traded corporations in the technology space. Mr. Jackson holds a Bachelor of Business Administration degree from Simon Fraser University, and the professional designation of Chartered Professional Accountant (CPA, CA), where he is a member of the B.C. and Canadian Institute of Chartered Accountants.

Doug Dymont, President and CEO of the Company commented, “We are extremely pleased that Anthony is joining our Company. His broad and in-depth accounting management experience and significant leadership abilities, combined with relevant industry and recurring revenue experience, will strengthen our management team as we transition parts of our business to a SaaS model. On behalf of the Company, we wish to welcome Anthony and look forward to working with him as we continue to advance the business”
