

GET THE WHOLE PICTURE

Gatekeeper's SD700 high overview external camera is paired perfectly with the SP25 Stop Arm camera system. The use of the SD700 high overview camera ensures you get the whole picture when incidents occur, and have a complete evidence package to support driving infraction claims. Keep your children safe, and receive peace of mind with this vandal resistant camera that is guaranteed to clearly capture stop-arm violations in day or night conditions, regardless of weather conditions.
