

EXTERIOR 720p AHD CAMERA

The TXM11 AHD is a 720p (1280 x 720) exterior camera. The Sony CMOS imaging sensor produces outstanding image quality in both day and night conditions. Built rugged, the camera is designed to operate over the extreme temperatures and vibration found in vehicles. The TXM11 AHD metal housing makes the camera vandal resistant. The flexibility of the design provides options for multiple viewing applications. From forward or rear facing, to blind spot detection on either side of the vehicle – this camera has you covered.
